COSMETIC ENHANCEMENT

READER EVENT

Gain access to some of the best anti-ageing experts in the business at a special cosmetic enhancement forum hosted by *Vogue*.

If you're curious about the latest beauty advances and innovations, here's your chance to learn from the professionals – at a gathering of experts in cosmetic enhancement and anti-ageing at Sheraton on the Park, Sydney. Every subject will be covered throughout the day-long forum, from skincare and fat removal to breast augmentation and achieving that perfect smile.

Speakers will include Mandy Gray, founder and sales and marketing director of superceutical and cosmeceutical distributor True Solutions International; Dr Sarkis Nalbandian, an international authority on cosmetic dentistry and director of Designer Smiles; Dr Charles Cope, cosmetic plastic surgeon and director of Infinity Skin Institute, who will discuss and demonstrate the latest Liposonix fat-removal techniques; cosmetic physician Dr Van Park, who will discuss injectables; and cosmetic plastic surgeon Dr Kourosh Tavakoli, who will be there to talk about the innovations in cosmetic surgery.

The event will include morning tea and lunch, \$10,000 worth of lucky door prizes, a goodie bag, a make-up makeover with Yves Saint Laurent and Priori products and the opportunity to talk one-to-one with the experts.
