dr charles cope

Dr Cope graduated from Sydney University in 1989 with First Class Honours.

He trained in General Surgery at Royal North Shore Hospital and in Plastic Surgery at RNSH and Royal Prince Alfred Hospitals.

Dr Cope then underwent further specialised training, including a Cosmetic Surgery Fellowship and a Microsurgery Fellowship at the MD Anderson Cancer Center in Houston, Texas, specialising in breast reconstruction after mastectomy.

Dr Charles Cope is an experienced Specialist Plastic Surgeon who has been in practice for more than 20 years and has performed over 20,000 plastic surgery procedures.

Dr Charles Cope regularly attends and participates in continuing medical education meetings to ensure a high level of expertise in surgical practice and regularly gives lectures to both other doctors and the public.
